PROFILE

Data Analyst with a strong scientific background in Microbiology and practical training in data analysis through IEEE and the Digital Egypt Pioneers Initiative (DEPI). Skilled in **Python, SQL, Excel, and Power BI**, with hands-on experience in data cleaning, exploratory data analysis, database design, SQL querying, and dashboard development. Experienced in transforming raw datasets into structured, meaningful insights that support data-driven decision-making. Strong analytical, problem-solving, and attention-to-detail skills, with experience working on individual and team-based projects, presentations, and real-world data analysis workflows. Particularly interested in applying analytical skills to **healthcare, life sciences, and research-related data**.

EDUCATION

Bachelor's degree, Microbiology 2022 – 2026
Tanta University Tanta, Al Gharbiyah, Egypt
GPA: 92.7% - Excellent with honours

High School Diploma, Science 2019 – 2022
Gharbiya STEM High School Tanta, Al Gharbiyah, Egypt
Grade: 80% - Good

PROFESSIONAL EXPERIENCE

Professional Data Analyst Track 07/2026 – Present
Digital Egypt Pioneers Initiative (DEPI) hyprid

- Building practical **Python and SQL** skills through hands-on data analysis projects and exercises.
- Strengthening business **English and professional communication** skills in a collaborative learning environment.
- Delivering **online presentations** to communicate project results and technical concepts clearly to an audience.
- Working collaboratively with team members on data-analysis projects, contributing to problem-solving and project delivery.
- Building confidence in using digital tools, presenting ideas, and communicating technical information clearly and accessibly.

Data Analysis Trainee 09/2025 – 08/2026
IEEE Tanta Student Branch Remote

- Completed **Excel and SQL phases** with hands-on, task-based learning.
- Delivered **3 practical projects** (2 using Excel, 1 using SQL), including **one collaborative SQL team project**.
- Worked on practical data-analysis projects requiring **problem-solving** and **attention to detail**.
- Used SQL for **data querying, joins, subqueries, and analytical problem-solving**.
- Presented analytical results through **2 presentations**: one **team presentation** and one **individual presentation**, demonstrating clear data storytelling and communication skills.

Parkville Learning Champion - Intern 07/2026 – 07/2026
Parkville Remote

- Attended a multidisciplinary pharmaceutical internship covering **marketing, research & development, supply chain management, and pharmaceutical aesthetics**.
- Developed an introductory understanding of **the application of artificial intelligence in pharmaceutical research**.
- Explored how technology and innovation are applied to solve real-world problems within the pharmaceutical industry.

- Exposed to different topics and disciplines, strengthening **adaptability, continuous learning, and professional communication skills**.

Trainer & Organiser 12/2021
Human Squad System Event | 2-week program (Biology Department) Gharbiya STEM High School, Egypt
- Acted as a **trainer**, delivering **4 lectures** across diverse **biological topics**.
- Served as an **event organizer**, contributing to planning, coordination, and on-site execution.
- Developed skills in **public speaking, training delivery, and event coordination**.

VOLUNTARY WORK

Graphic Designer & Team Leader 07/2025 – 06/2026
Tanta-UCCD-Medica Campus (Marketing & Media Team) Tanta, Al Gharbiyah, Egypt
- Collaborated within an **8-member design team** to produce visual content for **job advertisements and center marketing activities**.
- Designed **~25 marketing visuals** using **Canva**, ensuring consistency with branding and campaign goals.
- Served as **Team Leader for 3 months**, coordinating tasks, guiding team members, and ensuring timely delivery of designs.
- Developed skills in **team coordination, leadership, visual communication, and time management**.

COURSES

Data Fundamentals 08/2026
IBM-SkillsBuild Online

An editor's guide to writing a review article & Beginners' guide to writing a manuscript in LaTeX 02/2026
ELSEVIER - Researcher Academy Online

Statistical Data Analysis Using R Language 02/2026
SRTACity (City of Scientific Research and Technological Applications) Online

Think Like a Data Analyst 01/2026
DATA SKOOL Online

Employability Skills Training (EST) 08/2025 – 09/2025
Be Ready Initiative Tanta, UCCD Medical Campus, Egypt

Project Management 09/2024
American Chamber of Commerce in Egypt Tanta- UCCD Medical Campus, Egypt

CORE SKILLS

- Communication & Active Listenin
- Teamwork & Collaboration
- Presentation & Public Speaking
- Problem Solving
- Leadership & Coordination
- Time Management & Organization
- Attention to Detail
- Scientific Research

TECHNICAL SKILLS

Microsoft office (Word, Power point, Excel)

Zoom & Online Collaboration Tools
